

The Symposium of Amorphous and High Entropy Alloys (SAHEAs) 8-10 November, 2022, Hangzhou, P.R. China

Dear Colleague,

It is a great pleasure and an honor to invite you as an Invited Speaker to attend The Symposium of Amorphous and High Entropy Alloys (SAHEAs), to be held on 9-10 November 2022 in Hangzhou, P.R. China. Due to negative effects of many variants of COVID-19, the Symposium of Amorphous and High Entropy Alloys (SAHEAs) will be held Online Conference.

The Symposium of Amorphous and High Entropy Alloys (SAHEAs) will be an excellent opportunity for all participants to discuss and share their findings and ideas in the research fields of Amorphous Alloys and High Entropy Alloys. We are hoping your support and valuable presence will make this conference a great success and we look forward to having you together with your colleagues and students to attend the Online Conference.

We believe your speaker would be a critical addition to this conference. Please let us know your confirmation in speaking and the title of your talk.

Detailed information about the conference will be announced on webpage soon.

Looking forward to hearing from you.

Best regards,  
Jian-Zhong Jiang
